

Veteran Important Information

Transferring veterans must meet with the VA Certifying Official and complete a transfer request; VA form 22-1995 for Ch. 30 and 1606/1607 or form 22-5495 for Chapter 35. These forms are also available on the GI Bill website at www.gibill.va.gov/resources/student_handouts/index.html. Chapter 31 students will make the change with their VA counselor prior to enrollment.

Cross-enrolled veterans must have a Parent Letter sent to the VA Certifying Official from their parent institution in order to receive benefits from Delta.

Those who are receiving the G.I. Bill benefit under Chapters 30, 1606, and 1067 must continuously verify their enrollment status with the VA. On the last day of each month, students must call 1-877-823-2378 and report their attendance and the number of hours enrolled, or go to www.gibill.va.gov/wave/index.do to do so online. This must be done before the VA will issue or deposit any checks.

Each veteran should meet with the VA Certifying Official at the time of application to the College to submit the necessary documentation for certification and to review any additional information that may be pertinent to the students' continued receipt of benefits. Use the printable form below:
