October 1, 2014

Louisiana Delta Community College places a high priority on the personal safety of all students, faculty, staff and visitors. The 2014 Annual Security Report provides information pertaining to the safety policies at the College.

Although all individuals are ultimately responsible for their own safety by learning and practicing basic safety and security precautions, the College strives to maintain a safe and secure atmosphere. To help in this effort, we ask that you immediately report crimes occurring in or on any of the facilities of Louisiana Delta Community College to campus administrators and the Office of Campus Safety.

All comments and suggestions are welcome as we strive to continually improve the quality of services. We hope you have a safe and rewarding experience at Louisiana Delta Community College.

Sincerely,

Campus Safety

Campus Safety Office

Louisiana Delta Community College (LDCC) Campus Safety Office is charged with the responsibility for on-campus security, safety, law enforcement, emergency services, traffic and parking. LA Delta's Campus Safety Office is manned by Louisiana POST Certified law enforcement officers who have authority to apprehend and arrest anyone involved in illegal acts on LA Delta's campuses. Whenever classes are in session or the campus' facility is utilized by members of the public (students or visitors), campus security will be provided by a member of LA Delta's Campus Safety Office or sworn law enforcement officers hired by the College to carry out the directions of Campus Safety or licensed security officers.

Campus Safety is tasked with responding to any reports or incidents of crime that occur on campus. Major offenses such as rape, murder, aggravated assault, robbery, and auto theft are reported to the local police as well as offenses occurring immediately adjacent to the LA Delta campus and that agency's investigators are deployed to solve these matters.

LA Delta strives to maintain a safe and secure campus environment for students, staff, faculty and visitors. Offices, laboratories and classrooms are secured when not in use. Employees who discover defective doors, locks, interior/exterior lighting problems, or other safety hazards will immediately report the situation to the Director of Facilities (318) 345-9107 or to the appropriate college department for action.

Merger

In 2011, LA Delta Community College merged with 2 former Technical Colleges at Lake Providence and Tallulah. In July 2012, 5 additional Technical Campuses were added to the merger (Bastrop, Farmerville, Ruston, West Monroe and Winnsboro). Campus Safety provides law enforcement for all of the merged campuses either by Campus Officers or by hiring off-duty law enforcement officers for the particular parishes.

Working Relationships with Other Law Enforcement Agencies

The Campus Safety Office maintains a close working relationship with Monroe Police Department and Ouachita Parish Sheriff's Office. Campus Safety has also established working relationships with Bastrop Police Department and Morehouse Parish Sheriff's Department (Bastrop Campus), Union Parish Sheriff's Office (Farmerville Campus), East Carroll Sheriff's Department (Lake Providence Campus), Madison Parish Sheriff's Department (Tallulah Campus), Winnsboro Police Department (Winnsboro Campus), Louisiana State Police and the State of Louisiana Department of Justice. Meetings are held between the leaders of these agencies on both a formal and informal basis as needed.

The Monroe Police Department and the LA Delta Campus Safety Office have verbally agreed upon the guidelines of a Memorandum of Understanding and will be entering into the agreement in the near future.

REPORTING PROCEDURES

General Procedures for Reporting a Crime or Emergency

Students, faculty, staff and guests are encouraged to report all crimes and public safety related incidents to the Campus Safety Office in a timely manner.

To report a crime on any LDCC campus, call Campus Safety at (318) 345-9105, contact the campus security person (Campus Safety Officer or off-duty officer assigned) or to report an emergency, call 9-1-1 which will notify the local police (9-1-1 can also be called for any campus crime).

Campus Safety is available at the Main Campus to respond to these respective telephone calls whenever class is in session and will respond to take the required action at any LDCC Satellite Campus. All Campus Safety reports involving students or prospective students in potential misconduct will be forwarded to Dean of Student Success Services for review for potential action or the appropriate Student Services person for that campus, if this can be accomplished without jeopardizing an ongoing investigation. If additional assistance or investigation is required the local law enforcement entity will be contacted (Police or Fire Department or appropriate unit). If a sexual assault, rape or other more serious crimes should occur, Campus Safety will assist the victim until the arrival of the local law enforcement agency. Due to the lack of resources, these significant matters will likely be passed to the local agency and Campus Safety will provide whatever assistance the agency and/or victim request or requires.

Statistical Disclosure of Reported Incidents

Incidents reported to Campus Safety that fall into one of the required reporting classifications will be disclosed as a statistic in this annual report published by Campus Safety.

Reporting a Crime to Local Law Enforcement

A person reporting a crime to Campus Safety that expresses a desire to report to local police rather than Campus Safety will be afforded this option if the victim so desires. Campus Safety will discuss this option with the victim and will also assist with that process.

Off-Campus Crime

If any law enforcement agency is contacted about criminal activity occurring off-campus involving LA Delta students, they are encouraged to notify Campus Safety. However, there is no official policy requiring such notification. Students in these cases may be

subject to arrest by the law enforcement agency and campus judicial proceedings through the Office of Student Services.

Confidential Reporting Procedures

If you are the victim of a crime and do not want to pursue action within the College system or the criminal justice system, you may still consider making a confidential report. With your permission, a report can be filed as to the details of the incident without revealing your identity. The purpose of a confidential report is to comply with your wish to keep the matter confidential, while taking steps to ensure the future safety of yourself and others. With such information, LDCC can keep a more accurate account of incidents involving students, employees and visitors; determine if there is a pattern of crime with regard to a particular location, method, or suspect; and alert the campus community to potential dangers. Reports filed in this manner will be counted and disclosed in the college's annual crime statistics.

Campus Safety also offers the opportunity to provide anonymous information via the campus website (www.LaDelta.edu). Campus Safety will investigate all anonymous information provided.

Violence Against Women Act

In March of 2013, the President of the United States signed the Violence Against Women's Reauthorization Act of 2013 which, among other provisions, amended the Higher Education Act of 1965 (aka the Jeanne Clery Act). LDCC is committed to preventing violence and in the principles of the Save Act (Campus Sexual Violence Elimination). LDC has implemented the following procedures for identifying, investigating and reporting potential violations of the aforementioned acts which are as follows:

Reporting Incidents of Sexual Harassment, Including Sexual Assault and Sexual Misconduct, Stalking and Dating/Intimate Partner/Domestic Violence

Allegations of sexual harassment including sexual assault, stalking, or domestic and intimate partner violence should be reported to one of the individuals listed below.

1. Title IX Coordinator: Melissa Ducote, LPB, Human Resources Office, 318-345-9109, mducote@ladelta.edu.
2. Dean of Student Success Services: Kay Harper-Hayes, LPB, Office 152, khayes@ladelta.edu.
3. Main Campus Safety Office: Chief of Campus Police (TBA) 318-345-9297 or Officer Antonio Iseah 318-345-9105 antonioiseah@ladelta.edu.
4. Director of Counseling & Disability Services: Sandra Dietle, LPB, Office 155, sandradietle@ladelta.edu.

The following is more detailed information available on our website at www.ladelta.edu about Title IX including community resources, Procedures to Follow in Cases of Sexual Assault, The Importance of a Medical Examination, Protecting Yourself Following a Sexual Assault, and Recovery.

PROCEDURES TO FOLLOW IN CASES OF SEXUAL ASSAULT, SEXUAL HARRASSMENT, SEXUAL MISCONDUCT, STALKING, AND DATING/INTIMATE PARTNER/DOMESTIC VIOLENCE

as related to the Campus SaVE Act/Violence Against Women Act.

Being a victim of any of the crimes addressed in this document is traumatic and all victims will respond differently. However, all victims have the same options and rights afforded to them. Below is an explanation of procedures.

Campus Security

1. Campus Security will notify the Director of Student Counseling and Disability Services or someone whom the victim chooses and feels comfortable with, to provide support/advocacy and to accompany the victim to the police station, hospital or home.
2. In case of a medical emergency, Campus Security will arrange transportation to the hospital emergency room. The support person may accompany the victim. Medical attention should be encouraged even if the victim does not feel it is necessary, for the person may be in shock or otherwise unable to make such a decision which may be important to future legal action. The victim should be informed of the importance of preserving evidence.
3. If there is potential for immediate apprehension of the assailant, Campus Security will take appropriate action.

Faculty and Staff

1. Any faculty or staff member who receives a report of or discovers a possible sexual assault, sexual harassment, sexual misconduct, stalking, or dating/intimate partner/domestic violence on campus should do the following:
 - Assure the victim of his or her safety and, in emergency situations, move the victim to a safe, private location
 - Do not leave the victim alone and, if possible, send someone else to get additional assistance
 - Immediately report this to the Campus Security, the Vice Chancellor of Student Affairs and, in their absence, the Dean of Student Success Services. Every effort will be maintained to assure confidentiality in the investigation of the assault.
2. The Office of Student Services shall be responsible for ensuring LA Delta policies and procedures are followed and shall also determine appropriate College disciplinary action if the alleged perpetrator is a student. Any student or employee who is a victim will be offered information of law enforcement options, mental health services and options for changing academic situations if requested.

Students

1. Any student who receives a report of or discovers a possible sexual assault, sexual harassment, sexual misconduct, stalking, or dating/intimate partner/domestic violence on campus should do the following:
 - Assure the victim of his/her safety and, in emergency situations, move the victim to a safe, private location
 - Do not leave the victim alone and, if possible, send someone else to get additional assistance
 - Immediately notify Campus Security, a staff member or a faculty member
2. LA Delta may initiate disciplinary action against the student or employee accused of rape/sexual assault, or other sex offenses, forcible or non-forcible. Possible sanctions which may be imposed following the final determination of an on-campus disciplinary procedure regarding such changes include suspension or dismissal.
3. The Dean of Student Success Services shall oversee and implement these decisions for students and ensure the accuser and accused are treated fairly and informed of the outcome of any campus disciplinary proceeding and action.

CAMPUS SEXUAL ASSAULT, SEXUAL HARRASSMENT, SEXUAL MISCONDUCT, STALKING, AND DATING/INTIMATE PARTNER/DOMESTIC VIOLENCE VICTIM INFORMATION

1. Resource Information

In the event that you are the victim of sexual assault on campus, find yourself a place of safety. Once safe, call one or more of the following:

- Campus Security (318) 345-9105 during business hours
- Local Police (911)
- Local Emergency Room (St. Francis North, 309 Jackson St., Monroe (318) 966-4000
- Director of Student Counseling and Disability Services (318) 345-9152 or (318) 345-9144 during business hours
- Dean of Student Success Services (318) 345-9150 or (318) 345-9144
- A friend or family member
- The Wellspring Counseling and Family Development Center 24/7 Phone Lines: (318) 323-1505 or 1-800-716-7233

2. The Importance of a Medical Examination

For purposes of ensuring your own physical health, as well as successful apprehension and prosecution of the perpetrator (if desired/warranted), it is very important that you promptly go or be sent to a nearby hospital emergency room to be examined. As awkward or uncomfortable as it may be, you should not change your clothing or bathe prior to this examination. At this time you may want to be tested and treated for any injuries you have sustained and also be tested for the presence of any sexually transmitted diseases.

Be aware that it is your right to have a trained rape counselor accompany you throughout all or any part of the medical examination. The counselor is there to provide support and answer any questions you have. The information you share privately with the counselor is confidential. Seeing the doctor and having an evidentiary “rape kit” completed does not mean you must prosecute your attacker, but it does significantly increase the potential for success if you choose to do so.

If possible, either bring a change of clothing with you to the hospital or have someone do so for you, as your clothing worn during the assault should be collected by the medical team.

3. Protecting Yourself Following a Sexual Assault

After a sexual assault has occurred, it is extremely important to provide for your personal safety. If you know or fear that your attacker knows your whereabouts, you may want to make temporary arrangements to stay elsewhere. Restraining orders preventing your attacker from contacting you are available through the court system. Although you must request the order (with or without the assistance of an attorney), counselors can help you fill out the required paperwork at the police station. Counselors can also refer you to appropriate support agencies and shelters, if desired.

4. Recovery

It is important to remember that sexual assault can happen to anyone. Sexual violence is not the victim’s fault. However, victims frequently experience confusing and distressing feelings following an attack. It is important not to hold in these feelings. Talk to a trusted friend or relative and seek appropriate professional counseling. LA Delta students are eligible to receive professional counseling services through the Office of Student Counseling and Disability Services. Also, The Wellspring Counseling and Family Development Center offers 24 hour hotlines and these conversations are completely confidential. You can talk to the counselors about anything. They are there to listen and to help answer questions about police proceedings, legal issues, medical procedures, counseling options, and many other topics. Contact information for these services is provided under Resource Information located in this document.

REMEMBER, if you have been sexually assaulted, you need to take appropriate steps toward physical and emotional recovery.

EMERGENCY RESPONSE

IMMEDIATE NOTIFICATIONS

The campus administration of LA Delta (the Chancellor or his/her designee), Campus Safety, the Office of Public Relations, and the Vice Chancellor of Student Affairs receive

information from various offices/departments on campus and off campus. If the Campus Safety Office or other law enforcement agency confirms that there is an emergency or dangerous situation that poses an immediate threat to the health and safety of some or all members of the LA Delta community, the Administration and Office of Public Relations will collaborate to determine the content of the message and will use some or all of the systems described below to communicate the threat to the LA Delta community as soon as possible.

TIMELY WARNING PROCEDURES

A timely warning is the policy of prompt alerting to potentially dangerous criminal situations on or near the campus. The Clery Act requires institutions to alert their campus community to certain crimes with the intent of enabling people to protect themselves.

In the event that a crime has occurred on-campus, on one of Delta's off-site locations or near one of these sites, the details will be evaluated by the Chancellor or his/her designee, Campus Safety, the Vice Chancellor of Student Affairs and some matters will be evaluated by the Threat Assessment Team. If the details indicate a serious or continued threat to the safety of the campus community, a timely warning will be issued through the college email system and text messaging system to students, faculty and staff. Additionally, campus monitors, campus informational postings, campus public address system, and local media (radio, newspapers and/or television) will be used when warranted and available.

Note: The Chancellor or his/her designee and the Public Relations Office will determine which methods of disseminating the information will be utilized in each situation.

EMERGENCY RESPONSE AND EVACUATION TESTING PROCEDURES

An evacuation (fire) drill is coordinated by Campus Safety each semester for all campus facilities. Thus the campus emergency response is tested at least twice each year. In these tests, students learn the locations of the emergency exits in the buildings and are provided guidance about the direction they should travel when exiting each facility for a short-term building evacuation. The purpose of the evacuation drills is to prepare building occupants for an organized evacuation in the case of a fire or other emergency.

Evacuation drills are monitored by Campus Safety and Campus Administrators. Additionally, the local Fire Departments will participate and monitor drills when available. Students will receive information on evacuations and shelter-in-place locations during the drills.

Shelter-in-Place

If an incident occurs and the buildings or areas around you become unstable, or if the air outdoors becomes dangerous due to toxic or irritating substances, it is usually safer to

stay indoors. A “shelter-in-place” notification will be made in these situations. The announcements will be made via the Public Address Systems, text messages, and by floor monitors. The announcement will include directions and the floor monitors (instructors, staff members, etc) will direct to safest area near your location.

If a person is outside of the building when the announcement is made, they need to follow the directions and enter the closest, safe structure. Once inside buildings, individuals should typically, stay away from glass areas and should close any open windows. In certain weather related situations (tornados, etc), individuals also want to move from higher building floors to the lower levels to prevent being injured by roof damage or falling debris caused by the storm.

If a radio or television is near, turn on to listen for further instructions and weather/storm updates. Listen to floor monitors for instructions and make yourself comfortable until the emergency ends.

Annual Fire Safety Report

If a fire occurs in a LA Delta building, immediately call 9-1-1 for the Fire Department and activate nearby fire alarm if the alarm isn’t already sounding. Also contact Campus Safety as soon as possible and begin evacuating the building via the closest, safe evacuation route (Remember, when a fire alarm is activated, the elevators in most buildings will automatically move to 1st floor and stop. If you are caught in elevator, use the emergency “help” button in the elevators for assistance).

Students, faculty and staff should familiarize themselves with exits in each building for safety reasons and should be attentive to the instructions given by floor monitors and fire personnel upon their arrival.

Fire Protection Equipment/Systems

A majority of LA Delta buildings are equipped with automatic fire detection and alarm systems that are constantly monitored when students are present. LA Delta does not have residential facilities.

Procedures for Students and Employees in the Event of a Fire

If you smell smoke or observe a fire:

- 1) Stay CALM!
- 2) *IN CLASS*: the instructor will send one person to pull the fire alarm closest to the class and a second person to the closest floor monitor to report incident (if not able to do so without placing person in danger, then instructor should call Campus Safety or floor monitor by telephone). The report should include:
 - a) The location of the fire (building name, room number and specific location if known), the status of the fire and fire alarm and your name.

- 3) Floor monitor will call 9-1-1 to update EMS of the nature of the fire alarm and Campus Safety at 345-9105 for immediate assistance.
- 4) The instructor will supervise the evacuation of the classroom and all nearby spaces.
- 5) All faculty, staff and students will **IMMEDIATELY EVACUATE THE BUILDING** and gather at a safe distance away from the danger zone/building.

Drug and Alcohol Policy

Delta is a drug and alcohol free campus and recognizes that drug and alcohol abuse are a major societal concern and problem. Such abuse leads to health problems, decreased productivity, crime and general weakening of our nation's social fabric. Alcohol and drug abuse are especially destructive to education and learning, and also inhibits educational, social and interpersonal development. It is the expressed purpose of this policy to establish a comprehensive program to address the abuse of alcohol and drugs. This policy will apply to all College students.

- 1) All students are strictly prohibited from the unlawful possession, manufacture, use or distribution of illicit drugs or alcohol on College property or as part of any College activity, whether on or off the campus. This policy will extend to any other sites that the College might operate.
- 2) The following conduct is prohibited:
 - a. The use, consumption, possession, manufacture, furnishing, sale and/or distribution of illicit drugs, narcotics or other controlled substances, including marijuana.
 - b. The use, possession, manufacture, purchase, sale, furnishing and/or distribution of drug paraphernalia.
 - c. The use, consumption, possession, manufacture, purchase, sale, furnishing, and/or distribution of alcoholic beverages on College property, or at any of its activities, except as expressly permitted by College regulations and the law.
 - d. The use, consumption, possession and/or purchase of alcoholic beverages by persons under 21 years of age.
 - e. Operating or attempting to operate a motor vehicle while intoxicated.
 - f. Public intoxication on College property.
 - g. Furnishing, serving and/or otherwise providing alcoholic beverages to persons under 21 years of age.

Students who violate the provisions of this policy will be subject to sanctions, which could include criminal prosecution, suspension and/or expulsion.

Reporting and Prevention of Sex Offenses – including Sexual Harrassment, Sexual Assault and Sexual Misconduct, Stalking and Dating/Intimate Partner/Domestic Violence

If a student wishes to report the occurrence of a sex offense, he or she should be guided by the following procedures:

1. Title IX Coordinator: Melissa Ducote, LPB, Human Resources Office, 318-345-9109, mducote@ladelta.edu.
2. Dean of Student Success Services: Kay Harper-Hayes, LPB, Office 152, 318-345-9150, khayes@ladelta.edu.
3. Main Campus Safety Office: Chief of Campus Police (TBA) 318-345-9297 or Officer Antonio Iseah 318-345-9105 antonioiseah@ladelta.edu.
4. Director of Counseling & Disability Services: Sandra Dietle, LPB, Office 155, 318-345-9152 sandradietle@ladelta.edu.

A student can call the Monroe City Police Department or the Ouachita Sheriff's Office (Monroe Campus). Campus Safety has also established working relationships with Bastrop Police Department and Morehouse Parish Sheriff's Department (Bastrop Campus), Union Parish Sheriff's Office (Farmerville Campus), East Carroll Sheriff's Department (Lake Providence Campus), Madison Parish Sheriff's Department (Tallulah Campus), Winnsboro Police Department (Winnsboro Campus), and the Louisiana State Police.

A student can call 9-1-1, or go directly to a hospital. It is important to note that if you are a victim of a sex offense, **do not destroy any evidence (including clothing) and do not take a shower or bath.**

It is important that such physical evidence be preserved in order to assist with any ensuing criminal investigation. If the student believes that she/he may be the victim of date rape by being drugged, she/he should go directly to a hospital to receive a toxicology examination since such drugs only remain in a person's system for a short period of time. The Campus Safety Office will assist with notification of other law enforcement authorities and/or medical professionals if the student so chooses.

Files relating to sex offenses are kept confidential by the Campus Safety Office and by the Student Services Office.

Prevention Education Programs

LA Delta provides ongoing prevention and awareness campaigns related to sexual assault, stalking, domestic and intimate partner violence and other forms of violence against students on and off campus. This is done through outreach activities including presentations by local agencies, workshops, and classroom visits. LA Delta also provides to students the Student Health 101, an interactive online magazine, that is emailed to students on a monthly basis. The 2014-15 year Student Health 101 will feature topics every month addressing the requirements of the Campus SaVE Act.

The Campus Safety Office and Student Services host a Crime Prevention – Campus Safety workshop at the beginning of the Fall Semester every year. Presenters include members of Campus Safety as well as other law enforcement officials from departments

that surround the campuses. Safety material and procedures are also presented to new employees during new employee orientation.

Student Services also provides education programs and outreach events throughout the academic year to promote awareness of sexual assault, domestic and relationship violence, and stalking. These campaigns provide information regarding resources, teach sensitivity regarding victim/survivor experience, and promote a healthy culture and mindset that prevents these crimes from occurring.

Additionally, in compliance with the Campus SaVE Act, LA Delta provides educational programs for all new students and employees annually. Students are informed of services during the New Student Orientation classes.

All staff and faculty complete online safety training that includes Sexual Harassment, Drug-free workplace and Drug Testing courses on an annual basis.

Crime Prevention Programs on personal safety and theft prevention are sponsored by the Human Resource Department throughout the year. A common theme of all awareness and crime prevention is to encourage students and employees to be aware of their responsibility for their own security and the security of others. The following precautions provide guidance.

- 1) Report all suspicious activity to Campus Safety immediately.
- 2) Never take personal safety for granted.
- 3) Try to avoid walking alone at night.
- 4) Carry only small amounts of cash.
- 5) Never leave valuables (purses, wallets, books, etc) unattended.
- 6) Lock car doors and close windows when leaving your car.
- 7) Do not leave valuables in your car, especially if they can be easily noticed.

LA Delta (Monroe Campus) utilizes a campus-wide state-of-the-art computerized monitoring surveillance system to monitor activity on campus at all times. Delta is also in the process of reviewing and improving the surveillance capabilities of all of the satellite campuses.

Disciplinary Procedure

LA Delta will act promptly in response to information that a student has been sexually assaulted by a member of the LA Delta community. Upon receipt of a concern, the College will undertake an appropriate investigation. If it appears that there is sufficient evidence to warrant disciplinary charges against a student, such charges shall be brought pursuant to the LA Delta Code of Student Conduct. If the matter is brought before a

hearing, the victim and alleged perpetrator are entitled to the same opportunities to have others present and to be informed of the outcome of the proceedings. The victim is entitled to a report of the results of the proceeding. If a student is found guilty of committing a sexual assault or other act of violence against another LA Delta student or employee after a disciplinary hearing, the penalties may include suspension, or permanent dismissal from LA Delta.

The form is located on website:

<http://www.ladelta.edu/documents/studentServices/studentGrievanceDiscriminationHarassmentForm.pdf>

On-Campus Assistance

Victims of a sexual assault are encouraged to contact the Dean of Student Success Services to obtain assistance in accessing medical and counselling services, or to make any necessary changes to the student's academic program. The Campus Safety Office can assist the victim getting to and from campus safely, filing a police report and obtaining an order of protection against the perpetrator. The victim can also file a concern with the College against a perpetrator who is a student or employee of the College with the Dean of Student Success Services.

College and Community Counseling and Support Services for Sex Offense Victims

Sexual assault victims can obtain help on campus through personal counseling. In addition, referrals can be made to off-campus support services. If you believe that you are being (or have been) sexually harassed, coerced or threatened, report it immediately to the Campus Safety Office and the Dean of Student Success Services.

Dean of Student Success Services: Kay Harper-Hayes, LPB, Office 152, 318-345-9150 khayes@ladelta.edu.

Main Campus Safety Office: Chief of Campus Police (TBA) 318-345-9297 or Officer Antonio Iseah 318-345-9105 antonioiseah@ladelta.edu.

Firearms and Weapons Policies

LA Delta is committed to maintaining a safe and secure environment that supports the academic mission of the College. Firearms, explosives, weapons, or any item that may be construed as such, are prohibited from LA Delta campuses and events. There are some limited exceptions to this policy; for example, certified and licensed law enforcement personnel who are authorized to carry a firearm are permitted to do so on LA Delta property.

Carrying a firearm, or dangerous weapon, by a student or non-student on school property, at school sponsored functions is strictly prohibited. This includes ammunition,

explosives, fireworks, or other dangerous substances or materials of any kind (Student Code of Conduct 2.01:19).

Campus Sex Crimes Prevention Act

The federal Campus Sex Crimes Prevention Act of 2000 amends the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act, the Jeanne Clery Act and The Family Educational Rights and Privacy Act of 1974. This act requires institutions of higher learning to issue a statement advising the campus community where law enforcement agency information provided by a State concerning registered sex offenders may be obtained. It also requires sex offenders already required to register in a State to provide notice, as required under State law, of each institution of higher education in that State at which the person is employed, carries on a vocation, volunteers services or is a student.

Louisiana Revised Statute 15:542B(3) requires sex offenders attending the college to register with College Police:

"If the sex offender is a student at an institution of postsecondary education in this state, the sex offender shall also register with the campus law enforcement agency of the institution at least one business day prior to the beginning of the school term or semester."

LA Delta's Monroe Campus has a fully functioning Day Care Center. Registered Sex Offenders (RSOs) must know if they have any restrictions or limitations in regards to this facility. If it is learned at any point, that a RSO is in violation of his/her restrictions, they will be dropped from all classes that put them in violation and will not be reimbursed for fees and tuition paid.

In Louisiana, convicted sex offenders must register on the Louisiana Police Sex Offender and Child Predator Registry at <http://www.lsp.org/socpr/default.html>. The website link is on the LA Delta website under Campus Safety.
