Verification Worksheet (V1)

Monroe Campus Phone 318-345-9005 Fax 318-345-9087

Your FAFSA was selected for review in a process called "Verification." In this process LDCC is required by federal law to compare the information from your FAFSA with other documentation such as a federal income tax return for you and your spouse (if married). If you and/or your spouse (if married) were not required to file a 2015 federal tax return, you must submit copies of any W-2 forms or earning statements. Federal law states we have a right to ask you for this information before awarding federal aid. If there are differences between your FAFSA and the financial documents you submit, corrections will be made electronically to have your information reprocessed.

We cannot process your financial aid until verification has been completed, so please provide the required documents as soon as possible.

WHAT YOU SHOULD DO:

- **ALL SECTIONS MUST BE FILLED IN.** Enter a zero if the field does not pertain to you or your spouse (if married).
- Submit the completed worksheet, plus copies of any additional documentation requested to the Office of Financial Aid.
- Do not make any further corrections to the FAFSA once you have submitted this worksheet.

We must review the requested information under the financial aid program rules (CFR Title 34, Part 668).
