

Louisiana Delta Community College Office of Financial Aid

LA DELTA SUMMER 2017 FEDERAL WORK STUDY PROGRAM

NOTICE OF INTENT TO ENROLL FALL 2017

I will NOT enroll in any Summer 2017 classes at LA Delta. However, I wish to continue my current student employment through the Summer 2017 semester. I understand that if I enroll in summer classes, I may apply for summer work-study eligibility through the normal financial aid application process.

I understand that my Summer 2017 student employment is contingent upon:

___ Completion of a 2017/2018 FAFSA indicating eligibility for need-based aid. (LA Delta must already be in receipt of your 2016/2017 FAFSA, and all application requirements must be completed.)

___ Formal admission to LA Delta, and ___ Minimum half-time enrollment in Fall 2017, in courses applicable to my degree.

___ (Initial) I understand that my summer work-study funds as a non-enrolled student will be borrowed from my 2017/2018 financial aid budget. (Approximately \$1500 for most students, but varies according to your award.)

___ (Initial) I understand that if I accept federal work-study employment under this agreement, and then enroll for summer classes, the amount of my award may be reduced based on my summer term enrollment and financial aid budget.

___ (Initial) I understand I must inform the Office of Financial Aid of any changes to my enrollment for summer term, and intended enrollment for Fall 2018.
