The Chancellor is directed to establish procedures whereby students, parents, and members of the public may present a complaint regarding a violation of the Americans with Disabilities Act (ADA), Section 504 and Title II related to the accessibility of any official College web presence which is developed by, maintained by, or offered through LDCC.

With regard to the LDCC website and any official LDCC web presence which is developed and maintained by the College, LDCC is committed to compliance with the provisions of the Americans with Disabilities Act (ADA), Section 504 and Title II so that students, parents and members of the public with disabilities are able to independently acquire the same information, engage in the same interactions, and enjoy the same benefits and services within the same timeframe as those without disabilities, with substantially equivalent ease of use; and that they are not excluded from participation in, denied the benefits of, or otherwise subjected to discrimination in any LDCC programs, services, and activities delivered online.

All existing web content produced by LDCC, and new, updated and existing web content will conform to Web Content Accessibility Guidelines (WCAG) 2.0, Level AA conformance, or updated equivalents, by January 2020. This Regulation applies to all new, updated, and existing web pages, as well as all web content produced or updated by LDCC.
